HISTORICAL LICENSE PLATES INFORMATION AND INSTRUCTIONS

Historical plates are provided by the State of Nebraska to vehicles thirty (30) years old or older. Two plates are required and must be displayed on the front and back of the vehicle.

Vintage plates are Historical plates that were issued by the State of Nebraska in the year corresponding to the model year of the vehicle. If using a Vintage year plate, only one plate is required and must be displayed on the rear of the vehicle. Vintage year plates must be submitted, along with application, to the Department of Motor Vehicles for inspection and approval. Vintage year plates that have been restored to their original condition may be used provided the original colors of the plate when it was first issued are used in the restoration. When submitting a Vintage year plate for approval, please include a postage paid, pre-addressed 6 ½ x 12 ½ " return envelope.

The following plate types may be used as Vintage: Passenger • Farm • Commercial • Motorcycle
(Specialty and restricted use license plates cannot be used as Vintage plates.)

A vehicle licensed with Historical/Vintage license plates may be used for test drives, parades and hobby-related activities. Vehicles registered with Historical/Vintage license plates may not be used for normal transportation to and from work, driven on a daily basis, used for hire or used for a commercial business. At special events that are sponsored by or participated in by organized clubs, vehicles licensed with Historical/Vintage license plates may transport passengers for hire **only** if any money received is to be used for club activities or to be donated to a charitable nonprofit organization and to haul other vehicles to and from such special events.

Applicants applying for Historical/Vintage plates must own one or more additional vehicles that are currently registered. **If the vehicle used for regular transportation is titled in the name of a company, proof that the applicant is owner of that company will be required.**
