

# INTERNATIONAL FUEL TAX AGREEMENT

## THIRD QUARTER 2020 IFTA NEWSLETTER

### **FOOTNOTES**

If you use a type of fuel other than what we have listed, need jurisdiction specific information or information on the U.S. Canadian exchange rate, refer to the IFTA, Inc. website at [www.iftach.org](http://www.iftach.org) and click on Tax Rates in the left column.

### **NEBRASKA FUEL TAX RATE**

The second quarter 2020 fuel rate (July 1, 2020 through September 30, 2020) is \$0.3320. The rate for the fourth quarter 2020 (October 1, 2020 through December 31, 2020) will be \$0.3320.

### **ANNUAL IFTA AND IRP RENEWAL**

It's that time of year you'll be receiving your IFTA and IRP renewals in the mail. Beginning October 1<sup>st</sup>, the staff will not be able to process walk-in renewal applications, or applications to add/delete vehicles to your fleet. All applications will be taken over our counter and processed in the order it was received. With Covid-19 restrictions, the staff will continue the protocol of assisting only two customers at a time in the office. We strongly encourage all eligible carriers to file the renewals online, including your quarterly IFTA returns.

### **ANNUAL UCR RENEWAL**

The UCR renewal postcard will also be mailed in September. The UCR renewal registration must be processed on-line at [www.ucr.gov](http://www.ucr.gov). Once you have completed your renewal registration, you have the option of paying online or you can opt to pay the registration fee through the mail. New this year – the payment voucher will be mailed directly to UCR at Unified Carrier Registration, PO Box 2935, Idaho Falls, ID, 83403. An important reminder to make checks payable to the Unified Carrier Registration and not Nebraska DMV.

### **FROM THE AUDIT DESK - ORIGIN/DESTINATION INFORMATION**

Mileage records **must** list the origin and destination for each trip or day, **in the form of a city or town**. If you start and end the trip or day at the same location, you must also list load & unload locations. Customer names, work sites, etc. are **not** acceptable. If the origin/destination is not a specific city or town, the nearest city or town must be listed, including the distance from that origin/destination to that nearest city or town.

\* All rates are per gallon.

If you did travel in a jurisdiction using a fuel listed as \$- above, please include the miles and gallons in the "All Other Non-IFTA Jurisdictions Combined" section on Nebraska Schedule 1. If filing on-line, "other travel".
