Letter from the Director

On behalf of the Nebraska Department of Motor Vehicles, I am proud to present our 2023 Annual Report. This document reflects a year of growth, innovation, and progress toward our mission of delivering quality, accessible, and secure services to Nebraskans.

This year we accomplished several milestones, including:

- **Modernization Initiatives:** We advanced key projects, including the Motor Carrier Services Modernization and the Driver Licensing System upgrade, to enhance efficiency and user experience.
- **Service Expansion:** Implemented online portals for motorcycle helmet law waivers and expanded knowledge testing services at the North Omaha Service Center.
- **Operational Improvements:** Deployed a new online appointment system, significantly reduced delinquent filings for motor carrier services, and improved the vehicle registration renewal process.
- **Employee Excellence:** Invested in employee development with fraud recognition training and celebrated the certification of DMV employees through the AAMVA International Driver Examiner Certification program.
- **Community Impact:** Collaborated with stakeholders on legislative requirements, including issuing no-fee state IDs for voting purposes and processing records for Ukrainian nationals under federal guidance.

These achievements were made possible through the unwavering support of our dedicated employees and the collaboration of our valued state and local partners, legislators, and the executive branch.

As we look to the future, we remain committed to maintaining the high standards of service Nebraskans deserve while embracing innovative solutions to meet evolving needs. Your continued cooperation and input remain vital to our success.

Thank you for your partnership and trust in our work. Together, we will continue to make every day a great day at the DMV.

DMV RETIREMENTS

Deputy Director Julie Maaske

The Department said goodbye to three dedicated DMV employees in 2023. Deputy Director Julie Maaske after a long, varied career which included the DMV starting in 2014; Mary Butts, beginning her DMV story in 2003, retired after having been a Nebraska state employee in 1976; and Gloria Dohrman, DMV teammate since in 1997, all chose to take well-deserved retirements. Their skills, knowledge, and faces are certainly missed in the DMV.

DMV HOME OFFICE REMODEL

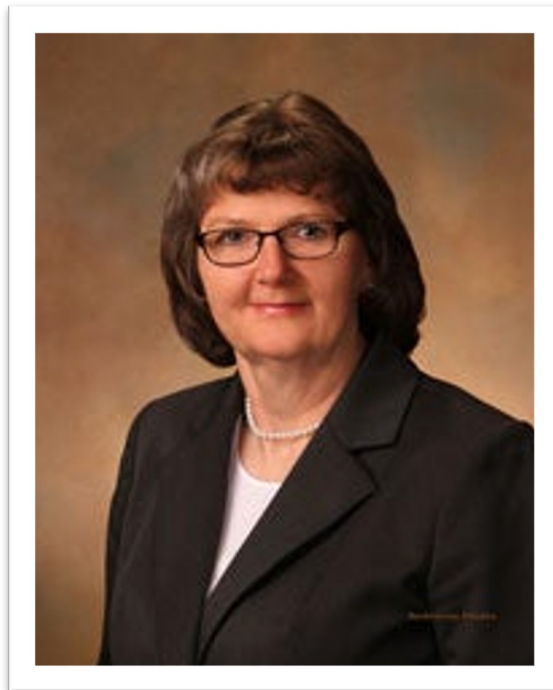

As Director Lahm always says, "Every day is a Great Day at the DMV!" The department kept this positive attitude while cubicles and carpet were replaced, walls were painted, and several offices rearranged. Thanks to some serious planning, what had been slated to take well over a year was whittled down to just a few months and only a handful of teammates were moved offsite for the short duration.

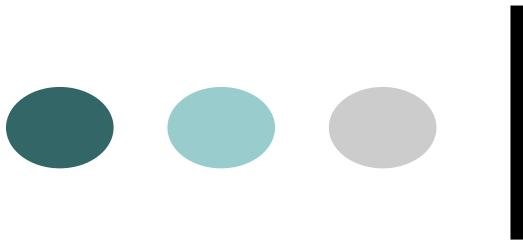

Administration

An additional purpose is to generate and collect revenues that support not only the services offered by DMV but also other state and local government entities. The director also serves as the chairperson of the Motor Vehicle Industry Licensing Board.

Financial Responsibility

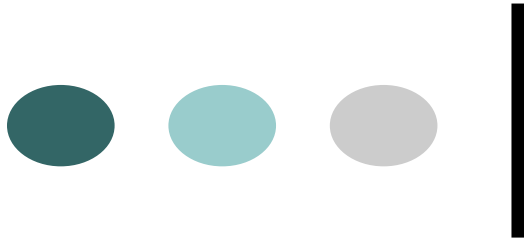

OVERVIEW:

The Financial Responsibility Division (FR) is the gatekeeper for denying driving privileges to unsafe drivers and ensuring persons meet all the criteria to have their driving privileges reinstated. Using driving, court and crash reports they identify individuals who cannot or will not drive safely and have their driving privileges suspended, revoked or disqualified (CDL).

The FR Division is the point of contact for the issuance of employment, medical hardship, ignition interlock, and sobriety program permits. The division manages the Ignition Interlock Indigent Fund and aids in the collection of traffic fines and child support order payments. The division also manages the non CDL State-to-State (S2S) Verification Service which is a means for states to electronically check with all other participating states to determine if the applicant currently holds a driver license or identification card in another state.

ACCOMPLISHMENTS:

- Celebrated 7-year anniversary of “Daily Huddles” in April – focusing attention on customer phone calls, hold times, education opportunities, issues from the prior business day and celebrating successes.
- Responded to 72,448 phone inquiries – with an average wait time of 33 seconds. This number reflects a little over 4% increase from phone inquiries in 2022. Fun fact – this reflects a 22% decrease from 2013...when we responded to 92,941 phone inquiries.
- Assisted 4,079 walk-in customers which is about a 2.5% decrease from 2022.
- Authorized two (2) Sobriety Program Permits.
- Update driver’s traffic violation records, process license suspensions, revocations, disqualifications, and the subsequent reinstatements when qualified.

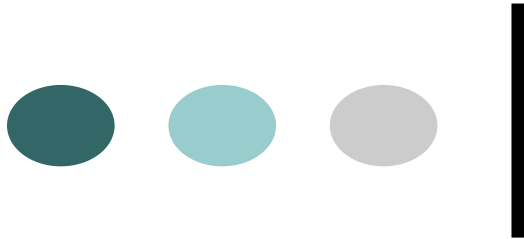

Financial Responsibility

- Worked with insurance companies using the AAMVA process to submit SR22/SR26 insurance certifications to transition to the new process with Tyler Technologies and added several new insurance companies.
- Nebraska was added to the AAMVA S2S implementation calendar for February 20, 2024 for DHR (sending/receiving non-CDLIS convictions and withdrawals electronically with other S2S DHR states) and have started weekly meetings, passed casual testing and started structured testing with AAMVA in preparation. Working on multiple data cleanup projects in preparation for the go live date.

GOALS:

- Continue focusing on updating written procedures for all processes for use in cross-training staff, succession planning and modernization.
- Continue working with insurance companies to promote the electronic SR22/SR26 insurance certification service that is available to them through Tyler Technologies and completing any necessary data clean up.
- Continue working on the Driver License Issuance and Control System Modernization project and any cleanup projects deemed necessary.
