IFTA Renewal Season - Begins October 1st

IFTA renewals are sent by email or mail, depending on your account settings. Renew online at: *mcis.nebraska.gov/NEEnterprise.*
All outstanding IFTA returns must be filed and paid prior to starting your renewal. If renewing in a filing month, the return must be completed and paid first.
UCR will open up to renew on October 1st for the 2027 year.

Unused IFTA Decals

As you prepare for renewal, begin the process of taking inventory of your IFTA decals if you have purchased more than you needed during the registration year. Unused decals must be kept for four years, the same amount of time as all IFTA records. If you need help, we offer a form called IFTA Decal Inventory Sheet found on our website at http://dmv.nebraska.gov/forms under the heading Motor Carrier/Trucking, IFTA/IRP Forms.

Passwords

If you try to log in to the MCS system and your password doesn't work, it may have expired. Click the "Forgot Password" link and provide either your security question and answer or your email address.
A temporary password will be emailed to you.

NE Agriculture Diesel Fuel Executive Order

The Nebraska Governor's executive order issued on September 24, 2026, exempted carriers hauling agricultural products and livestock within Nebraska from diesel fuel tax.
If you are hauling these commodities from one point in Nebraska to another point in Nebraska you can reduce the taxable NE miles on your 3rd Qtr., 2026 IFTA return for the periods of 9/24/26-9/30/26.
This exemption goes through 12/22/26 and will affect your 4th Qtr., 2026 return as well. To support the reduction for future audit purposes you must maintain the odometer when you pickup the NE load and drop off the load as well of the bill of lading or elevator ticket and the NE miles traveled under the exemption.
If you have questions please contact our office 402-471-4435.

From the Audit Desk:

Origin/Destination Information
The mileage records must list the origin and destination for each trip or day, in the form of the closest city or town. If you start and end the trip or day at the same location, you must also list load and unload locations. Customer names, work sites, etc. are not acceptable. If the location is not a specific city or town, the nearest city or town must be listed, including the miles from that location to that nearest city or town. Also, if you make multiple trips to the same out-of-state location on the same day, you should list the number of trips to that location.
