# Nebraska D) $\mathbb{M}[\mathbb{V}$ IIIII <br> Department of Motor Vehicles 

Exceptional service delivered by knowledgeable people with integrity, enthusiasm, and respect.

## 2007 Annual Report

April 7, 2008

On behalf of the Department of Motor Vehicles (DMV) I am pleased to announce that the Department's 2007 Annual Report will be published solely in electronic format. A downloadable copy of the Report, links to DMV on-line services, DMV related information and all DMV forms are available via the website at www.dmv.state.ne.us.

The Report covers the period of January 1, 2007 to December 31, 2007. It contains an executive summary of the Department, specific accomplishments of the DMV divisions, and a wealth of statistical information concerning Nebraska's vehicles and drivers.

I want to thank to Governor Heineman, the state legislators, county officials, members of our advisory boards and task forces, and our partner state agencies for their support. The success of the DMV depends upon the continued support of these individuals.

If you have any questions regarding the information provided in the Annual Report or would like additional information regarding the Department of Motor Vehicles, please feel free to contact us at (402) 471-3900.

Sincerely,

Beverly Neth
Director

# Nebraska Department of Motor Vehicles 

Mission Statement<br>To promote public safety through education and regulation of drivers and motor vehicles, and to collect revenues that provide resources for state and local government operations.

Vision Statement<br>Exceptional service delivered by knowledgeable people with integrity, enthusiasm and respect.

## Executive Summary

The Nebraska Department of Motor Vehicles is composed of eight divisions.
Administration houses the office of the director and oversees the operations of the other seven divisions, which includes 190 employees and an annual budget of $\$ 24.4$ million. Administration also includes the deputy director, budget and human resources officers and support staff. The director serves as the Governor's Highway Safety Representative. The director also serves as chairperson of the Motor Vehicle Industry Licensing Board.

Beverly Neth, Director
Patricia Phillips, Deputy Director

Gary Ryken, Account and Finance Manager Arnita Endacott, Personnel Manager

## Driver and Vehicle Records (DVR): (Betty Johnson, Administrator)

DVR is responsible for the administration of the statewide Vehicle Titling and Registration System (VTR). VTR is used by all 93 counties for the titling and registration of Nebraska's approximately 2.1 million motor vehicles. VTR is also the system through which all motor vehicle taxes, motor vehicle fees, motor vehicle registration fees, sales tax, wheel tax and other assorted fees are collected. The division is responsible for the state's license plate program, including the budget, inventory control of the 56 types of license plates throughout all 93 counties, and the message and specialty plate programs. The division also reviews applications and issues approximately 100,000 handicapped parking permits. The division maintains the Motor Vehicle Insurance Database.

DVR is also responsible for the database that maintains the records of 1.5 million licensed drivers and state ID card holders and the Digital Driver License System used by the counties to issue documents. The DVR Help Desk provides technology and business support for county officials and the general public. DVR also houses a Fraud Unit that investigates identity theft, driver license fraud, and title and odometer fraud.

## Examining Division: (Sara O'Rourke, Administrator)

Examining is responsible for ensuring that individuals meet Nebraska's licensing standards and requirements for issuance of driver permits, licenses and State ID Cards. The division utilizes four systems to effectively administer its programs: the Interactive Driver License System, the Digital Driver License System, Automated Written Testing System and the CDL on-line Data Base.

The division certifies and audits 13 Commercial Driver Training Schools, 156 Driver Safety Schools, 52 Commercial Driver License (CDL) Third Party Testers and 84 Commercial Driver License Examiners. There are 97 exam offices, and 99 employees, located throughout the State who assist individuals in obtaining nine different types of permits and six types of licenses and State ID cards. Fourteen of the 97 offices are open five days a week. Approximately, 561,450 applicants for driver licenses and identification cards are processed each year.

## Motor Carrier Services (MCS): (Cathy Beedle, Administrator)

MCS administers a variety of programs relating to the trucking industry, including the International Registration Plan (IRP) that collects and distributes registration fees between member states (48 States, the District of Columbia and 10 Canadian Provinces). In 2007, the division collected over $\$ 76$ million total IRP fees -- retained $\$ 30.1$ million in Nebraska and distributed the balance of $\$ 46.5$ million to other IRP jurisdictions.

MCS also administers the International Fuel Tax Agreement (IFTA) that requires the equitable distribution of fuel tax between member states (48 States, District of Columbia and 10 Provinces). In 2007, the division collected over $\$ 22$ million in fuel tax revenues -- retained $\$ 4$ million in Nebraska and distributed $\$ 18.3$ million to other IFTA jurisdictions.

In 2007, MCS began administration of the Unified Carrier Registration (UCR). This program replaced the SSRS and Bingo programs. For 2007, MCS satisfied their UCR entitlement and collected $\$ 742,000$ for the State, while providing another $\$ 498,000$ to the UCR depository for distribution to other states.

MCS also issues certificates of titles for apportioned vehicles and audits IRP and IFTA returns.

## Nebraska Office of Highway Safety: (Fred Zwonechek, Administrator)

This division coordinates, develops, and implements Nebraska's annual traffic safety plan. The purpose of the plan is to identify and prioritize Nebraska's traffic safety problems that contribute to traffic-related injuries and fatalities. As the Governor's Highway Safety Representative, the director of the agency is responsible to oversee the State's annual federal highway safety allocation to reduce traffic-related injuries and fatalities. During FY07, over $75 \%$ of the $\$ 4,124,836$ expended from federal highway funding allocations were awarded to directly benefit local, county, municipal government agencies, and local non-profit organizations. The remaining $25 \%$ of the funds were awarded to state agencies for traffic safety projects.

## Legal Division: (Noelie Sherdon, Administrator)

Primary duties of the legal division involve administrative hearings, management of the Administrative License Revocation (ALR) program, legal advice, rules and regulations, legal documents, intoxilyzer training, manufacturer's warranty duties, fifteen-year license revocation reprieves, claims board, and the health advisory board. Legal's largest program is conducting hearings for administrative license revocation. In 2007, the ALR program helped to reduce Nebraska's human and economic consequences of motor vehicle crashes by affirming the administrative revocation of 10,531 drunk drivers.

## Financial Responsibility (FR): (Kathy Hraban, Manager)

The Financial Responsibility Division identifies those individuals who do not drive safely and assists them in becoming safe drivers. FR denies driving privileges via disqualification (CDL licenses), suspension or revocation of driver licenses to those who cannot or will not drive safely, and subsequently reinstatement of the driver licenses. In 2007, the division revoked/suspended the driver licenses of 59,715 individuals, reinstated 46,443 driver licenses, and recorded 180,625 traffic violation convictions to driving records. FR is the point of contact for issuance of employment drive and medical hardship permits, as well as ignition interlock restricted licenses. The division also aids in the collection of traffic fines and child support order payments.

## Information Systems Division (IS): (Keith Dey, Manager)

Responsible for the development, installation, maintenance and support of all DMV related business applications, including the implementation of a new document imaging system, on-line services, DMV website, and administrative support to DMV's computer systems (hardware and software).

## Administration Division

the Administration Division provide ov Department of Motor Vehicles. Additionally, the director is the Governor's Highway Safety Representative and, as such, is responsible for oversight of the state's annual federal highway safety allocated funds. The director also serves as the chairperson of the Motor Vehicle Industry Licensing board.

The Legal Division performs a variety of tasks within the Department of Motor Vehicles. Primary duties involve administrative hearings, legal advice, legislation, rules and regulations, legal documents, intoxilyzer training and administrative license revocation program, manufacturer's warranty duties, fifteen-year license revocation reprieves, claims board and the health advisory board.

## Administrative Hearings

All administrative hearings for the Department are conducted by the Legal Division. Hearings are held for commercial driver license issues such as disqualifications, third party testers and commercial driver instructors; financial issues involving bankruptcies and self-insurance; and issues relating to Motor Carrier Services, such as protests under the International Registration Plan (IRP) and the International Fuel Tax Agreement (IFTA); and motor vehicle tax objections.

The majority of hearings are for Administrative License Revocations. Law enforcement officers have the authority to take the license of a driver who refuses or fails a chemical test. The motorist may contest the automatic revocation by petitioning for a hearing. The Department holds a hearing to decide the merit of the driver's claim. In 2007, there were 12,069 sworn reports received, 5,217 hearings scheduled and 10,531 licenses revoked. Motorists may appeal the DMV decision to the District Court. The Legal Division processed 518 District Court appeals during 2007.

## Rules and Regulations, Contracts, Legal Documents

Rules and Regulations are developed through the Legal Division. New and revised rules and regulations are initiated by changes in statutes, require a public hearing and are reviewed and approved by the Attorney General and the Governor.

The Legal Division works with other DMV divisions, the public and other agencies to develop these rules and regulations.

In addition, the Legal Division reviews and drafts contracts and other legal documents involving other agencies, outside companies and the public.

## Fifteen-Year License Revocation Reprieves

A person whose license has been revoked for 15 years may file an application for reinstatement after seven years of the revocation have passed. The Legal Division reviews each application and makes a written recommendation to the Board of Pardons. In 2007, 32 applications were processed; 8 were granted reprieves.

## Manufacturer's Warranty Duties (Lemon Law)

The Legal Division provides lemon law information to interested consumers. It answers telephone inquires and provides information on the Internet and through brochures. Nebraska is a founding member of the International Association of Lemon Law Administrators, which was organized to facilitate the flow of lemon law information across all jurisdictions on behalf of consumers. Nebraska's lemon law requires manufacturers to make a new vehicle conform to the vehicle's written warranty through either an informal settlement with a consumer or in response to a lawsuit in state court by a consumer.

## Claims Board

All claims filed against the Department of Motor Vehicles are handled by a staff attorney representing the DMV before the Claims Board. The staff attorney coordinates the agency's response to the claim and any arguments made to the Claims Board.

## Other Boards and Councils

When necessary, the Health Advisory Board, composed of medical specialists, is called to make a careful medical review and evaluation to determine whether a person is physically or mentally qualified to hold a driver license. A staff attorney is present at the board meetings.

A staff attorney handles protests under the International Registration Plan (IRP) and the International Fuel Tax Agreement (IFTA). A member of the Legal Division is designated to attend Federal Bankruptcy Court whenever hearings may be necessary to protest taxes or fees owed to the Department.

## Information Systems Division

The Information Systems Division of the Department of Motor Vehicles provides the tools, expertise and support needed to develop more efficient methods to serve our customers.

To meet this goal the division has personnel who specialize in:

- The management of computer systems on the IBM AS/400, IBM Mainframe and Intel platforms.
- Ethernet and wireless networks.
- The development, installation and support of technical solutions and business applications.
- PC support, software installation and troubleshooting.
- Project management.

The focus of the DMV has been to provide customers with easy access to both services and data hosted by the DMV. DMV on-line services are provided through Nebraska.Gov (www.nebraska.gov), NCJIS (Nebraska Criminal Justice Information System) and to the customers of our Motor Carrier Division through the DMV Website at http://mcs.dmv.state.ne.us/mcsmain.htm .

As the DMV moves towards more accessible services, coordination and cooperation with other state agencies is critical. Digital technologies are being developed and implemented to maintain and improve the security of our personal identities while making our services and information easily available through the DMV web page. (www.dmv.state.ne.us)

The IS Division assisted in the implementation of a new enterprise document imaging system. The imaging system will be expanded to provide service to the Motor Carrier and the Driver and Vehicle Records Divisions in 2008. The on-line services will also be expended in 2008 to include license reinstatement, specialty plate ordering, a motor carrier payment portal and a redesigned web page.

In 2008 and future years, the Department will address the development of Real ID and the Vehicle Title and Registration application.

The Division of Motor Carriers " One-Stop Shop" administers a variety of programs relating to the trucking industry:

## Motor Carrier Services Division

* The International Registration Plan (IRP), a vehicle registration program whose purpose is to collect and distribute registration fees between member states.
* The International Fuel Tax Agreement (IFTA), an agreement between member states for the purpose of equitable distribution of fuel tax.
* The Unified Carrier Registration (UCR), this program, created by Congress is 2005, replaced the Single State Registration System (SSRS). All motor carriers, motor private carriers, brokers and freight forwarders are required to pay UCR fees annually.
* The issuance of certificates of title, noting of liens, and collection of sales tax and tire fee for apportioned vehicles.
* The auditing of motor carrier fuel and mileage records, in accordance with the IRP and IFTA agreements.

## Major activities and accomplishments in 2007:

In the 2007 Legislative Session, LB358 was passed that allowed the MCS division to sunset the SSRS program and administer the UCR program.

IFTA Tax Returns: For the entire 2007 year, over 6, 400 IFTA tax returns were entered using the web based IFTA tax return system, surpassing the mark set in 2006 by over 1,400. A record number of motor carriers, over 1,745 , filed on-line for the $4^{\text {th }}$ quarter 2007 return, which surpassed any single quarter to date.

IRP Renewal Application: The Division utilized web filing for IRP renewal processing for the third year and had 1,461 carriers enter their own applications. This was an increase from 1,171 the previous year.

The Division continued to make strides in their implementation and monitoring of two Federal supported programs, Commercial Vehicle Information System and Networks (CVISN) and Performance and Registration Information Systems Management (PRISM).

MCS Senior Auditor, Joel Foreman, was the Department of Motor Vehicles 'Employee of the Year.'

## Motor Carrier Services Statistics - 2007

| Nebraska Based Carriers |  |
| :---: | :---: |
| IRP Carriers | 4,108 |
| IRP Fleets | 4,209 |
| IFTA Carriers | 4,243 |
| UCR Carriers | 5,270 |

| Net Gallons (calculated) | 11,657,141 |
| Tax Distributed to other IFTA States | \$18,395,119 |
| Nebraska Tax Collected on Returns | \$4,054,897 |
| Total Tax Collected through the I FTA Program | \$22,450,016 |
| Total Fuel Tax Paid by I FTA Carriers (calculated) 303,844,185 x average tax rate (.2705) | \$82,189,852 |
| UCR Fees (Unified Carrier Registration) |  |
| Fees Distributed to other UCR States | \$498,461 |
| Nebraska Fees to General Fund | \$741,974 |
| Total UCR Fees Collected | \$1,240,435 |
| Total MCS Fees and Tax Collection |  |
| Fees Distributed to Highway Trust Fund | \$34,197,726 |
| Fees Distributed to the General Fund | \$741,974 |
| Fees Distributed to other States | \$65,450,011 |
| Total MCS Fees and Taxes Collected | \$101,389,711 |
| IRP on-line Filings |  |
| Renewal filings | 1,171 |
| Temporary Registrations | 19,699 |
| IFTA on-line Filings |  |
| Renewal Filings | 30 |
| 4th Quarter Return 2006 | 1,455 |
| 1st Quarter Return 2007 | 1,494 |
| 2nd Quarter Return 2007 | 1,559 |
| 3rd Quarter Return 2007 | 1,631 |
| Total Returns Filed Via the Web | 6,139 |

## Financial Responsibility Division

The goal of the Financial Responsibility Division is to identify those individuals who do not drive safely, to assist individuals in becoming safe drivers, or to deny driving privileges to those who cannot or will not drive safely, and aid the courts in collecting traffic violation fines and support order payments.

## Major Activities in 2007:

- The main focus of this Division was to implement a new document imaging application, which included the conversion of our old imaging application. With this update we have realized a quicker response time in the displaying of our imaged documents. We also have the ability to create general folders to store miscellaneous documents that are not related to a particular driver license.
- To better serve the public, after approval and authorization, the employment drive permits and medical hardship permits are being issued statewide at the exam stations.
- Legislative Changes:

LB415 provides for further limitations regarding a provisional operator's permit and other permit holders. The law change was effective January 1, 2008. One point will be assessed against the Permit holder for each conviction of the following violations:

1. During the first six months of the POP, the holder can operate a motor vehicle with no more than one passenger who is not an immediate family member and who is under nineteen years of age.
2. The holder of an LPE, SCP, LPD or POP shall not use any type, including, but not limited to, a mobile or cellular phone, a text messaging device, a personal digital assistant that sends or receives messages, an audio-video player that sends or receives messages, or a laptop computer.

- Customer Service:

During 2007, the Financial Responsibility Staff responded to 107,021 phone inquiries.

Other activities involved in the achievement of our goals include:
> processing driver license suspensions, revocations, and reinstatements which includes data entry on computer work files
> updating a driver's traffic violation records
$>$ responding to phone inquiries and walk-in customers.

*NRVC- Non-Resident Violators Compact

## Driver License Examining Division

The goal of the Driver License Examining Division is to ensure that persons who meet Nebraska's identification and licensing requirements are issued a permit, operator's license or commercial driver's license and that individuals who meet the identification requirements set forth in state statute are issued a State ID Card. It is our goal to provide quality service that is applied fairly and consistently to all applicants in a helpful and friendly manner.

## Major Activities in 2007:

## Conduct Examinations

During 2007, Examining Staff processed 561,446 applicants in 98 exam stations statewide. This included new applicants (licensed individuals who moved to Nebraska from another state, individuals who had never been issued a license document before and individuals whose Nebraska license document had been expired over one year) and renewal applicants.

## Renewal Notices

Renewal notices are sent 90 days in advance of the expiration of a driver license or State ID card. In 2007, the Department sent out 273,014 renewal notices. Of those, 147,253 (53\%) of the applicants presented, as requested, a completed renewal notice to examining staff, an action that greatly expedited the applicant's time spent at the DMV.

## Other Divisional Activities:

- Audited 52 CDL Third Party Testers (companies). Auditors also observed 73 skills tests being administered by third party examiners ( 51 overtly and 22 covertly). DMV certified that individuals who work for these companies are authorized to administer skills testing for applicants who desire a commercial driver license. The Federal Motor Carrier Safety Administration requires the DMV to audit these companies each year. The audit consists of a review of paperwork and sample retesting of drivers that have previously passed.
- Audited 13 Commercial Driver Training Schools. Commercial driver training schools teach individuals how to drive a motor vehicle. During each audit, the facilities of the school are inspected to make sure all requirements are met as outlined in the rules and regulations.
- Audited 25 DMV approved Driver Safety Courses, five schools were added and six schools dropped their certification. The Department currently has 156 DMV approved Driver Safety Courses. DMV certified that instructors who work for these courses provide 20 hours of classroom training and 5 hours of behind the wheel training for individuals between the ages of 14-18. These instructors are also authorized to administer the DMV drive test upon completion of the course. The audit consists of a review of their paperwork and their DMV approved drive test route.
- The Nebraska Driver's Manual and written tests (English and Spanish versions) were updated with legislative changes from the previous year's legislative session.
- The interactive driver license practice test was updated with legislative changes from the previous year's legislative session. This interactive test can be found on the Department's website and assists individuals studying for the written driver license examination. The website is: www.dmv.state.ne.us
- State statute allows physicians, law enforcement officers or individuals who are concerned about another individual's capability to operate a motor vehicle safely to request a reexamination of the individual. If the Agency's investigation shows that a re-examination is warranted, the individual is required to appear before an examiner on a stated date and time at a specific exam office. During the re-examination, the applicant must present a medical and vision statement that meets the Department's minimum standards and pass the written and drive tests. If the applicant is unable to meet the medical and vision minimum standards or pass the written or drive tests, his or her license is cancelled. In 2007, 733 applicants were re-examined. Of those applicants, 19\% retained their license, $9 \%$ voluntarily surrendered their license and $71 \%$ had their license cancelled.

## Driver License Examining Statistics

Total Applicants Tested in 2007 ..... 561,446
Note: Numbers represent applicants tested, not documents issued.
Commercial Driver License (Class A, B \& C)
Class A New ..... 17,349
Class A Renewal. ..... 11,300
Class B New ..... 7,955
Class B Renewal ..... 3,209
Class C New ..... 1,233
Class C Renewal ..... 417
Restricted Commercial Driver License (Class B \& C) New. ..... 187
Renewal ..... 23
Learner's Permit Commercial (LPC) ..... 5,243
Seasonal Permits ..... 282
Operator's License (Class O)
New ..... 86,095
Renewal ..... 217,083
Motorcycle License (Class M)
New. ..... 13
Renewal ..... 0
Motorcycle Endorsement ..... 33,133
Provisional Operator's Permits (POP) ..... 24,901
State Identification Cards ..... 47,992
Learner's Permits
Class O ..... 52,401
Class M ..... 3,240
School Permits ..... 4,884
LPE (School Learner’s Permit) ..... 7,053
School Bus Permits ..... 8255

## Nebraska Office of Highway SAFETY DIVISION

The Nebraska Office of Highway Safety was established in 1967 to coordinate, develop, and implement Nebraska's annual traffic safety plan in accordance with the Federal Highway Safety Act of 1966. Under the Act, the Governor shall designate the Governor's Highway Safety Representative whose responsibility is to oversee the state's annual federal highway safety allocation to reduce traffic-related injuries and fatalities.

During FY2007, a total of $\$ 4,124,836$ was expended from federal highway safety funding allocations Sections 402, 157 Incentive, 163, 405, 408, 410, 1906, 2010 to a total of 515 individual projects and 59 grants. Seventy-five percent of the funds were awarded to directly benefit local, county, municipal government agencies, and local non-profit organizations. The remainder was awarded to state agencies for traffic safety projects.

The purpose of the plan is to identify and prioritize Nebraska's traffic safety problems that are contributing to traffic-related injuries and fatalities. The Plan establishes those priority problems and identifies the best opportunities to reduce traffic-related injuries and fatalities. The Plan also includes those system support activities that are necessary to carry out those direct impact projects.

## Methods

- Utilizing Nebraska data for fatal and injury ( ${ }^{*} \mathrm{~A}$ and ${ }^{\wedge} \mathrm{B}$ type) crashes, fourpriority emphasis areas have been identified: 1) Alcohol-related crashes; 2) Occupant Restraint Use; 3) Speedrelated crashes, and 4) Youth Involved (ages 16 to 20) crashes. A fifth emphasis area ("All Other Factors") is utilized to address other issues when appropriate.
- A total of 24 counties have been identified as priority counties. These counties are given first consideration for grant awards and project activity. Remaining counties are considered for special programs and for assistance.
- Measurable goals and objectives are determined using at least three years of historical data. The annual goals are selected using expected trends.
- Individual grants are awarded based upon the quality of problem identification and the outcome performance expected while implementing strategies and activities.
* A = Disabling Injury
${ }^{\wedge} B=$ Visible, but not disabling injury

## Results

The overall goal was to reduce Fatal, A and B Injury Crashes by 4\% $(5,321)$ in 2007.

FATAL, A \& B IN URY CRASHES
PER 100 MILIION MILES

## Pickup and Semi Crash

The pickup driver was killed when he was unable to stop in snowy conditions and drove under the semi, shearing off the top of the pickup. The semi was turning onto the highway when the collision occurred. Alcohol was not a factor in the crash. (Courtesy of the Grand Island Independent)

The goal was to reduce Alcohol-Related Fatal, A and B Injury Crashes by 4\% (605).

Partnered with BlueCross/BlueShield of Nebraska and Lamar Outdoor Advertising to produce 48 billboards with the message "Don't let this be your holiday photo. Never drink \& drive". The billboards were posted for 6 weeks starting in November 2006 for National Drunk \& Drugged Driving (3D) Prevention Month in Omaha, Lincoln, North Platte, Hastings, Grand Island, and Kearney.

The goal was to increase safety belt usage to $85.2 \%$. The observed Occupant Restraint Use in 2007 increased from the previous year by $2.7 \%$ to $78.7 \%$.

## "Buckle Up in Your Truck" Media Event

On Wednesday, April 25, at 11:00 a.m. in Lincoln, at the main entrance to the Haymarket Park Baseball Stadium, a news conference was held to kick-off the second year of the "Buckle Up in Your Truck" Mobilization Campaign. Approximately 30 attended the news conference. The Nebraska State Patrol demonstrated the Rollover Simulator.

Child Restraint Use for children under age six increased from 88.6 \% in 2006 to $93.2 \%$ in 2007. The 2007 rate is highest observed rate achieved since 1999 with the first observed rate of $56.1 \%$, which is a $37.1 \%$ increase since this series of surveys began.

The 2007 goal was to reduce Speed-Related Fatal, A and B Injury Crashes by 4\% (539). The number of speed-related fatal, A and B injury crashes decreased from 1,187 to 656. In 2002, a change on the crash report form field called "Contributing Circumstances, Driver" limited the number of selections from three to one.

Nebraska Office of Highway Safety provided three speed monitoring trailers to twenty-nine agencies, 14 (48\%) within the target counties, and 15 (52\%) in non-target counties.

The goal was to reduce Youth-Involved Fatal, A and B Injury Crashes for young people ages 16 through 20 by $4 \%(1,887)$. The number of crashes declined by $10.8 \%$ from 2,253 in 2004 to 2,010 in 2006.

## Tragic Rollover Crash

An 18-year old was unable to maintain control of a mini-van after hitting a patch of wet road and hydroplaned. The vehicle rolled several times and ejected the driver and one passenger who died. The driver and three other passengers were treated and released. The County Sheriff noted that seat belts were not in use. (Courtesy of the Custer County Chief)

The goal was to reduce "All Other Factors" Fatal, A and B Injury Crashes (minus Alcohol and Speed) by 4\% $(4,177)$.

|  | $\mathbf{1 9 9 9}$ | $\mathbf{2 0 0 0}$ | $\mathbf{2 0 0 1}$ | $\mathbf{2 0 0 2}$ | $\mathbf{2 0 0 3}$ | $\mathbf{2 0 0 4}$ | $\mathbf{2 0 0 5}$ | $\mathbf{2 0 0 6}$ |

| "All Other Factors" <br> Crash Rate | 33.6 | 33.6 | 29.9 | 29.8 | 28.4 | 26.6 | 25.2 | 24.1 |

Fifty billboards, containing 4 different motorcycle awareness/share-the-road messages, were placed in 24 urban and rural cities. On a daily basis, an average of 459,928 persons were exposed to the motorcycle billboard campaign.

## Conclusions

While the 2007 crash data was unavailable at the time the annual report was completed, progress is determined by comparing 2006 crash data with 2005 because initial program activity begins in 2006.

Between 2005 and 2006; fatal, A and B injury crashes; speed-related and youth-involved fatal and injury crashes reached or exceeded the 4\% decrease goal.

While alcohol-related and "all other factors" fatal and injury crash totals failed to reach the 4\% decrease goal; there was a decrease of $2.3 \%$ and $3.7 \%$ respectively. The observed driver and front seat passenger safety belt usage rate increased by $2.7 \%$ from $76.0 \%$ in 2006 to 78.7\% in 2007.

- In Nebraska's Performance-Based Strategic Traffic Safety Plan FY2007, a more aggressive approach of goal setting was taken in several areas, including the overall goal.
- Observed occupant restraint use survey results: Children under age six (93.2\%) and safety belt use for drivers and front seat passengers (78.7\%).
- Fatal, A and B injury crashes continue to decrease in number from $(6,051)$ in 2005 to $(5,706) 5.7 \%$ in 2006.
- Alcohol-related fatal and serious injury crashes decreased by $2.3 \%$ from the previous year (698 to 682).
- Speed-related fatal and injury crashes decreased by 26.2\%, from 576 to 425 in 2006.
- Youth-related fatal and injury crashes decreased by $8.9 \%$, decreased 2,207 to 2,010.
- All Other Factors fatal and injury crashes decreased by $3.7 \%$, from 4,777 to 4,599 .
- While the total miles driven increased by 0.7 percent in Nebraska during 2006, the number of fatal crashes decreased (5.0\%) along with a decline in injury crashes (6.9\%) and the number of persons injured declined from 19,827 in 2005 to 18,424 in 2006. The total number of reported crashes decreased by $4.0 \%$ from 35,739 in 2005 to 32,780 in 2006.
- Nebraska continues to experience success in reducing the total number of reported crashes and injuries while the number of miles driven increased. Traffic deaths decreased by $2.5 \%$ ( 276 in 2005 to 269 in 2006) while the traffic fatality rate reached 1.41 per 100 million vehicle miles. The number of people injured decreased by $7.1 \%$ from the previous year.

## Nebraska Motorcycle Safety Education

The Nebraska Office of Highway Safety is responsible for the administration of the Motorcycle Safety Education act. A provision of this Act is oversight of motorcycle rider training courses. Successful completion of the beginning Motorcycle Safety Education Course will allow the applicant to waive both the written and road test at the DMV driver license examination station to receive a Class " M " endorsement.

Currently, eight sites are certified by DMV to offer basic motorcycle safety education training. The site sponsors and their locations are: (1) National Safety Council - Greater Omaha Chapter with ranges in Omaha and at Offutt AFB, (2) Southeast Community College - Lincoln Campus with a Lincoln range site, (3) Central Community College in Hastings with ranges in Hastings and Columbus, (4) Western NE Motorcycle Training with a range in Scottsbluff, (5) Frontier Harley-Davidson/Buell with a range in Lincoln (6) Western Iowa Tech College with a range in Sioux City, Iowa, (7) Dillon Brothers Harley-Davidson with a range between Omaha and Elkhorn, and (8) Northeast Community College with a Norfolk range site.

A total of 2,065 applicants participated in the beginning rider course during 2007. Of those, 1,825 successfully completed the training. The Nebraska Office of Highway Safety sponsored an Instructor Preparation Course in 2007. The course was conducted at Central Community College in Hastings with 12 new instructors certified to begin teaching motorcycle safety education. At the end of 2007, the Nebraska Motorcycle Safety Education Program has a total of seventy-one (71) motorcycle instructors certified to teach the Motorcycle Safety Foundation beginning course - the Basic Rider Course or BRC.

## Office of Juvenile Justice and Delinquency Prevention

The Nebraska Office of Highway Safety has been designated by the Governor to administer the Office of Juvenile Justice and Delinquency Prevention's (OJJDP) Enforcing Underage Drinking Laws (EUDL) Grant. As a result, an Underage Drinking Prevention Advisory Task Force has been established and grants have been awarded to Project Extra Mile, a non-profit organization that facilitates community coalitions in implementing local activities targeting underage alcohol use. Funding provides local community coalition staff assistance, training, educational materials, travel and overtime enforcement targeting underage drinking laws.

In addition to statewide project activity, Nebraska counties with EUDL activity are: Douglas, Sarpy, Hall, Madison, Dawson, Scotts Bluff and Platte. Annual funding received by Nebraska for these efforts is approximately $\$ 350,000$. The community coalitions utilize the work groups in their effort: Public Policy, Youth in Action, Enforcement \& Adjudication, Awareness \& Access and Information \& Education. Communities utilize the Project Extra Mile model to achieve the mission to "Create a community consensus that clearly states that underage alcohol use is illegal, unhealthy and unacceptable."

The enforcement is directed to underage saturation and large party patrols; alcohol retailer compliance checks; shoulder tap operations; and alcohol source investigation.

## Traffic Violation Diversion Program

Since 2003, the DMV has been responsible for promulgating rules and regulations as well as the oversight of the traffic violation pre-file and pre-trial diversion programs offered by individual jurisdictions.

The rules and regulations of the pre-trial traffic diversion established requirements that have provided that each jurisdiction must submit an application to the DMV to obtain approval to offer the traffic violation diversion program. Standards for classes include: the length of time, curriculums offered, fees charged, frequency of participation, and the sharing of participant records. These are the criteria reviewed to determine if the program merits approval.

The responsibility of administering the Traffic Violation Diversion Program is being shared by the Legal Division and the Office of Highway Safety Division. During 2007, a total of 92 Nebraska jurisdictions were awarded approval certificates to offer the programs. The 81 counties and 13 cities contract with one or more of the seven approved course providers within the state. A total of 149 active instructors were certified to offer the approved traffic violation diversion program.

The legislature restricted the types of traffic violations that are allowed to participate in the diversion program and limited the number of times that an individual can participate to once every three years. In addition, a federal requirement restricts any individual with a commercial driver license endorsement from participating in a traffic violation diversion program.

## Driver \& Vehicle Records DIVISION

 Records Division includes:- Updating and maintaining the Nebraska Traffic Safety Information file
- Maintaining the Nebraska Vehicle Title and Registration Information file
- Updating and maintaining the Nebraska Motor Vehicle Insurance Database
- Providing prompt, reliable and accurate vehicle and driver information
- Ensuring that all standards are met in the driver license, title and registration, and handicapped parking permit issuance processes
- Developing and supplying all related forms, plates, permits and applications
- Investigating fraudulent activities as they relate to driver's license, title and registration issuance

Activities in 2007 included the following:

- Effective January 5, 2007, issuance of a redesigned Vehicle Identification Number (VIN) plate began. This new plate identifies the Nebraska DMV as the issuing agency and allows the owner the choice of riveting or affixing (by adhesive) the plate to the vehicle.
- Effective August 31, 2007, LB 286 was implemented. This legislation modified and added several definitions to the Motor Vehicle Certificate of Title and Registration Acts, codified processes that were already in place, and harmonized several sections in follow up to our recodification project that was completed in 2005. In addition, a process for issuance of a certificate of title to a licensed motor vehicle dealer when the original assigned certificate of title has been lost or mutilated was initiated and several changes to the specialty plate programs were incorporated. The last change included gave authority to the Department or any designed county official to request a sheriff's inspection at any time to determine if a vehicle meets the definition of motor vehicle.
- In cooperation with the Financial Responsibility and Driver Examining Divisions, implemented the issuance of Employment Driver Permits by the county treasurers, effective June 4, 2007.
- Work was completed in December to accommodate the January 1, 2008 effective date of LB 415. This legislation required an update to the digital driver's license system to provide additional language on the back of the POP, SCP, LPE, and LPD regarding the passenger and interactive wireless communication device restrictions.
- 194 investigative cases of fraudulent activity were opened and actively investigated.

Major activities in the achievement of our goals include:

- Approve and maintain Self-Insurance companies in Nebraska.
- Compile and publish a list of insurance companies licensed to do business in Nebraska for use by the county treasurers.
- Process license plate and validation decal orders for 93 counties.
- Complete requests for vehicle and driver records.
- Issue handicapped parking permits.
- Design, order and distribute forms used by county officials in the issuance of driver licenses, titles and registrations.
- Maintain records of all licensed drivers and all vehicles titled and registered in Nebraska.
- Maintain records of all vehicles insured in this state and disseminate such information to the county treasurers for use in registering vehicles.
- Provide vehicle information concerning safety recall campaigns.
- Issuance of message, spirit, sample, repossession, amateur radio, ex-prisoner of war, purple heart, handicapped, Disabled American Veteran, Pearl Harbor survivor, transporter, boat dealer trailer, antique, and film vehicle license plates.
- Preparation, verification, microfilming, and data entry of forms used in the driver's license testing and issuance process from all 93 counties.
- Provide Help Desk assistance to County Treasurers and County Clerks in the issuance of driver licenses, titles and registrations.
- Provide assistance to the general public and law enforcement in driver license, title, registration and handicapped parking permit related areas.
- Maintain files on medical and vision rechecks and out-of-state citations.
- Transferring of information from one state DMV to another.
- Provide clearance and military exemption information.
- Investigates and makes arrests for violations of alleged fraudulent practices relating to identity theft and motor vehicle related documents.
- Create and provide training to staff, agents, and other requesters for identity theft and motor vehicle related document authentication.
