Bonded Certificate of Title for a Vehicle

Before starting the bonded title process, you must review the detailed instructions found on our website at: <https://dmv.nebraska.gov/dvr/title/bonded-certificate-title-motor-vehicle/trailer>.

Before you apply for a Bonded Certificate of Title:

- You must request a search through the Nebraska DMV to determine if a Nebraska title exists. You will need to complete and submit an [Application for Copy of Vehicle Record](#) and a \$1.00 fee to the Department.
- If the vehicle was acquired in another state or from an out-of-state resident, a record search must also be conducted through the DMV in the state where the vehicle was acquired.
- If the search(es) finds a title exists, you must send a certified letter, return receipt requested, to the owner of record (the title owners) at their last known address.
OR
If the search(es) result in no records found, you must send a certified letter, return receipt requested, to the entity from whom you acquired the vehicle.
AND
The letters must state you are the current owner of the vehicle and request the titled owner obtain a duplicate title and assign ownership to you.
- If the search(es) results in no record found, you must send a certified letter, return receipt requested, to the entity from whom you acquired the vehicle.
- If the previous owner is deceased, evidence of death (death certificate or obituary) may be provided in lieu of sending certified letter(s).
- If the search(es) indicates an open lien(s) exists on the vehicle, you must send a certified letter, return receipt requested, to the lienholder(s) stating you are the current owner of the vehicle and request the lienholder provide you with a lien release so you may obtain a title. If the lien is 10 years old or older, the lien may be released 30 days after the date the certified letter is mailed upon receipt of proof of such mailing and a copy of the letter. If the lien is less than 10 years old and an acceptable lien release is not obtained, a title will not be issued.
- The titled owner and the lienholder, if one exists, must be allowed thirty (30) days to respond to your request. If any or all letters are returned with an indication of a new address, you must resend the certified letter to the new address.
- If after thirty (30) days there is no response from the titled owner or if all letters are returned as undeliverable, you may proceed with your application for a bonded title unless a lien release is required.
- You will be required to submit a copy of the letter(s) and the original return receipt(s) to the Department along with your application. The returned letters should remain sealed, be sure to make a copy of the letters you send to submit with your application.

- If a Vehicle Identification Number (VIN) plate is required, you must complete an [Assigned ID Number Application](#) and send it to the Driver and Vehicle Records Division of the DMV along with a fee of \$20.00 and the Vehicle Inspection Certificate. The VIN plate will be mailed to you along with an affidavit you must sign verifying you affixed the plate to the vehicle in the proper place. This affidavit must be included with your Application for Bonded Certificate of Title.

The following documents must accompany your application:

- Copy of results of search(es) conducted (either a copy of the record provided or evidence no record was found).
- The original return receipts and photocopies of all certified letters or, in the case where letters were returned as undeliverable, the unopened returned envelopes.
