Any person/carrier registered under the International Registration Plan (IRP) and/or the International Fuel Tax Agreement (IFTA) by the State of Nebraska may file an appeal of an action by the Department under IRP and/or IFTA within thirty (30) days of the date of the written notice by the Department. The petition and all pleadings must be filed with the Department of Motor Vehicles Legal Division, 301 Centennial Mall South, First Floor, P.O. Box 94699, Lincoln, NE 68509-4699. Filing may be accomplished by personal delivery or mail and will be received during the Department's regular officer hours.

I object to the following action by the Department (check any that apply):

- I am protesting the IFTA Deficiency Determination dated
I am protesting the IRP Deficiency Determination dated
I am appealing the suspension or revocation of my IFTA license.
I am appealing the denial of an IFTA license.
I am challenging the determination of personal liability as a corporate officer or employee.

Why do you think the Department's decision or determination is wrong?

Five horizontal lines for providing reasons for appeal.

Payment of a deficiency determination stops the accumulation of interest but does not affect your right to appeal a determination. Filing of this protest does NOT stop your obligation to file a quarterly IFTA return or to keep the required records.
