## New System Launching May 15th!

We're excited to announce the new system will officially go live on Thursday, May 15th! The first quarter 2025 return will be the final one processed through our current system. In preparation for this transition, our current system will be offline starting Sunday, May 4<sup>th</sup> at 11:59 p.m.

To ensure a smooth transition, file your first quarter return, along with any overdue returns, and settle all outstanding balances online **by May 4th**. If you prefer to pay by mail, we must receive your payment by **May 7th**. If you are using the USPS, we recommend considering expedited shipping to ensure timely delivery.

For those with an IRP account, these deadlines apply to you as well. If you have temporary registrations that still require paperwork, submit it as soon as possible to give our office time to process your bill and for you to make your payment.

---

**Important:** Our services will be unavailable from **May 5th to May 14th**. To avoid complications when we transition your account to the new system, ensure your filings are completed and your account is in compliance before these dates.

---

**Thank you for your attention and cooperation as we move to the new system**
