# BUSINESS PROCESS CHANGES

- Document items that impact end users or interface partners
- Small changes like searching for boats and how title status and brands are displayed
- Big changes like having one database and also the fact that end of day and end of month processes will change

# SEARCHING FOR BOATS

- VicToRY will store boat registration numbers with a prefix of NB
- Searches will require "NB"
- Registration number format changing (e.g. NB0003DH)
- Demo

# BRANDS AND TITLE STATUS

- Salvage, junk and bonded will display as brands
- Taxi, limo, prior limo, and prior tax will also be brands in the system
- Demo
  - Alert banner for salvage and junk

# END OF DAY AND END OF MONTH

- The project team is working with MIPS, other vendors, State Auditor's office to create new, streamlined procedures
  - These will be included in training
- VicToRY will provide state fund distribution information to the State Treasurer
- VicToRY will calculate percentage splits (98%/1%/1%) for MV tax by transaction
- Sales tax will be tracked and reported by locale (city/county), not tax district
